The antiquity of **Odisha(Orissa)** is endorsed by its ancient people who continue to inhabit their traditional dwelling places in remote areas in deep forests and hilly interiors. Steeped in the mystery that surrounds their ancient ways the Odishan tribals continue to be a source of deep interest not only for anthropologists and sociologists but also for numerous tourists who flock to Odisha(Orissa) in search of the exotic mystique of this relatively unexplored state. In this trip we travel across fascinating state of Odisha(Orissa) - Land of Myths and Legends; Exotic and Unexplored.

We begin this tour by visiting Kolkata followed by **Bhubaneswar**, the city of temples, where as many as 1000 temples existed at one point of time. In the first part of our trip we visit the rural part of Odisha(Orissa) to see the local tribes. Odisha(Orissa) has as many as 62 tribes that constitute an impressive 24 percent of the total population of the state. Their economy here is based on food gathering, hunting and fishing, the activities that bind them to this forest region. The most primitive groups of Tribes which we see are **Kutia Kondhs, Dongria Kondhs and Bondas**. Men and women come down from the mountains with different kinds of fruits and livestock to sell in the weekly market. After visiting their villages we can also watch their interaction with other communities in these weekly markets. Bondas live in the remote hills and keep themselves isolated. They are normally seen only when they come to trade at the local market. Our visit must be timed to coincide with the weekly market day on Thursday. We also visit the spectacular temples of Jagannath at Puri and Sun temple at Konark with very beautiful and intricate carvings. Later we reach Bhubaneswar from where we fly back to Kolkata, the city of joy which has a fascinating history that highlights its rich culture and literary flavors. The city survived even in the British era with a grace that can be seen even now. It's a happening place where activities like fine arts, music, dance, theatre and writing continue to flourish.

- *This itinerary is very sensitive. Dates of arrival and departure should be selected in accordance with weekly market. For this reason, we have mentioned the day in the caption of itinerary. Your arrival day in Kolkata should be Thursday*
